Online Teaching Workshop: Technology, Innovation, and Tricks of the Trade
Location: Salon B

Session Presenters:  
Emily Shurtleff  
Wake Technical Community College

Paige Roseman  
Wake Technical Community College

This workshop occurs in two parts: 1) part one includes a presentation of new technology and innovations in online teaching along with a facilitated discussion with conference attendees. Participants will be invited to share what technology or innovations, or what “tricks of the trade” they have used or are using in their online teaching, as well as challenges they face; 2) part two of the workshop will allow time for conference participants to experiment with some new technology. Participants are encouraged to bring their own laptops (tablets, iPads, etc.) for the hands-on portion of the workshop.
