

2019 Torch Foundation Memorial and Honor Roll Annual Recognition

The Torch Foundation established a Memorial and Honor Roll Program to create an opportunity for friends of prior or current Torch Club members to honor the memory of their departed club members, and to honor and highlight the accomplishments of outstanding departed and current Torch Club members.

We invite you to remember and honor the following members, and consider those you would wish to honor. An envelope is included for your convenience, or contributions may be made payable to The Torch Foundation, and forwarded to *Torch Foundation Memorial and Honor Roll Program, c/o Torch Foundation Treasurer Shirley W.
